IN MEMORIAM

Dr. Indruna Dayal Mehari

Dr. Indruna Dayal Mehari was born on July 14, 1946 - May 15, 2015. Indu, My Heavenly Darling: Nine years have passed since you became a beautiful Angel in the presence of our Almighty. The most sunshines and the brightness of a full moon, brings a light in the darkness of our life forever. As my hope, promise and legacy to you, I live on the philosophy that “You die only when your kindred has no one to love.” You knew, I am knowing you are my joy. You were so passionate about educating young people, and you cherished the ones whom shared and continue to be the main reason for my existence. You were a wonderful light for everyone who was fortunate to be close to you. You were a friend, a sister, and my twin sister. You are and always will be my first love. You are in my heart forever!! Thank you for your gift of love, to the world. There are not many moments in my day and learn what an exceptional woman you were, people, who did not know you, always knew you, and are grateful for your generous contributions to Tulsa and to the world. There are not many moments in my day when you are not with me in my thoughts, and the center of my life. You are always with me in every good and bad things that we experience. You are the wonderful share are becoming what I know you would want, sweet memories of our lives together, and our eternal love for each other. I just have to learn to accept that is what God planned for you. Take what you taught me, and live each other. I just have to learn to accept that is what God planned for you. Take what you taught me, and live

Circle of Life

In an effort to honor those who have donated either organs, eyes or tissue, the Tulsa World is participating in the “Circle of Life” campaign sponsored by the Oklahoma Organ and Tissue Network (OATN). If you have a loved one who is a donor, please inform the funeral director if you would like to have the “Circle of Life” logo placed in a niche or herling.
